

## WYS Board Meeting, March 10, 2007

1. You still have time to submit someone for Youth Referee of the Year. It does not have to be in to the regional office until April 1. PLEASE, PLEASE consider doing this – we have not had a young person nominated for a few years. This is a great way to recognize their efforts on and off the field, and it opens many doors for them if they want to further their education as a referee. The application is on WYS's website. I KNOW we have several across the state who deserve this honor.
2. We are going to have an extra board meeting this year. It will take place on the Sat. night of state cup in Laramie. It will deal exclusively with the hiring of a Director of Coaching for WY. We never have enough time during a normal board meeting to deal with this issue. We felt this would be a good time, as most people will be in Laramie for state cup. I encourage all delegates, presidents, etc. to attend. If we decide to go forward with this, there may be a vote to raise registration fees. The time and place for this meeting will be determined closer to state cup.
3. We voted to move the state office forward with an on-line registration from Blue Sombrero. Clubs will also be able to join, but don't have to. If you want more info, contact Sandy at the state office.
4. Casper was awarded the 2008-9 state cup. A big thanks to Jackson and Cheyenne for also bidding. It is really nice to see more than one club in the mix.

Thanks! Deb
