Based on those standings total # of games played:

Boys: 61 of 84 scheduled

Girls: 46 of 81 scheduled

HS 6v6: 4 of 22 scheduled

TOTAL GAMES PLAYED: 111 OUT OF 187

Scheduling games on labor day weekend caused lots of problems, but the majority of them eventually got played. Sickness and injuries plus going late into Oct. contributed a lot to missed games.

Long travel distances was a problem. This was my first time to schedule and I later learned that there is an unwritten policy that teams will not travel more than 250 miles for a game. Sorry about that!

I would like to make some changes for Spring and will submit those suggestions at the next board meeting.
