

Modifying your Credit Card Information for a Program Payment

This is only for making payments for PROGRAMS that use the GotSoccer registration software.

Log into your/your player's GotSoccer profile.

Click on MY PROFILE (in the dark blue bar) then click on the CLUB REGISTRATION tab.

You will see a list of the programs you/your player is enrolled in. Click on the DETAILS link beside the program you want to pay for.

The screenshot shows the 'Club Registration' tab selected in the navigation bar. Below the navigation bar, there are two main sections: 'Your Assigned Club' and 'Enrolled Programs'.

The Credit Card/Billing Information section is at the bottom left of the page – you may have to scroll down to see it.

Enter the new or updated credit card information and click *UPDATE BILLING INFORMATION*. You can even change from one credit card to another.

Please notify the state office – by phone or email, that you have made the changes and to have to office charge the card. The state office cannot see your credit card information. After this type of change, the card is not automatically charged.

The changes you have made will be used for all future credit card payments if you choose to pay for a program registration with a credit card.
