## 2011 – 2012 Soccer Season/Wyoming Youth Soccer ODP

Hello!

I am a registered member of Wyoming Youth Soccer. I have been selected to participate in the Wyoming Youth Soccer US Youth Soccer Olympic Development Program (WYS ODP).

*This national program is designed to identify and develop talented, committed youth soccer players to represent their state, region, and country in soccer competition. It also aids in preparing and showcasing these student athletes for exposure to collegiate-level soccer programs.*

*Players begin their journey at the state level; in Wyoming it begins with an evaluation of a player's skills, fitness, and attitude. Once selected, players will train for and compete in high level tournaments and college showcases and, if recommended, will advance to the regional level by attending US Youth Soccer Region IV ODP training camps. Regional camp provides the opportunity to be selected for the regional training pool. Players from that pool make up the team that represents the region at inter-regional and international events.*

To be successful requires both a large time and financial commitment, as this program is completely player-funded. My goals are to take full advantage of the training and playing opportunities, and to be recommended to Region IV camp. I hope you recognize, as I do, the significant opportunity I have been given.

I also hope you agree how unfortunate it would be to lose an opportunity to represent Wyoming, and perhaps our country, for financial reasons. My parents and I anticipate difficulty fully paying the program and camp fees, lodging, and transportation costs, which can be close to \$2500.00. So, I would like to ask you for your help. A tax-deductible contribution to the WYS ODP scholarship fund would be greatly appreciated. Included with this letter is a form for submitting your contribution.

I would love to speak with you more about this incredible opportunity and to answer any questions you may have. You can reach my parents or me with the below contact information.

I want to thank you for your time and I hope you will consider helping me to find a way to accomplish my goals.

Sincerely,

**IMPORTANT NOTICE:** The funds you have contributed in the above player's name can only be released upon proper request. A player must submit a WYS ODP expense reimbursement request along with receipts, invoices, mileage logs and other supporting documents. Any excess sponsorship donations received in the player's behalf will either be kept by WYS ODP for its player scholarship program or returned, upon request, to the original sponsor. Any excess funds cannot be paid directly to the player, as this would constitute a payment for services, which would be taxable income to the player and can jeopardize a player's amateur status.
