District report

District 1 – Not much to report. Snickers was held by Sheridan and had 152 teams. Gillette is starting their annual free 3v3 program. They have 3 new 120 yard turf fields that they are able to use and practice on. They are lighted. The college showcase event is coming up again. Mostly limited to Gillette kids but a few from outlying areas. They are also hosting the HS Wyoming All Star game in a few weeks.

District 2 –Absent

District 3 - Absent

District 4 – Not a lot going on. Riverton hosted a tournament last month and it was a huge success – they had 85 teams. Wyoming Cup went well – we had 134 teams – 253 games – 88 referees. Good weather and no rain – only one red card. It was a huge success.

District 5 – Absent. Pete Cuadrado resigned and this position is now vacant to his move South.

Member at Large: Vacant at this time.

State Referee Committee – Fabian has stepped down and Scott Hawley will replace him in that position. We will try and get 10 clinics completed in the fall. Since we have no referees going to Presidents Cup or Far West Regionals – we took some money and we bought some Fox40 whistles made up for all new referees. We also have them for sale during events. They are a quality whistle to get them started and it has the Wyoming logo on it. Still working on trying to get more referees. July 1st new registration will open. All of the revenue should start going up now that we are charging again for new renewals.

Scholarship Committee: We had 5 applicants and hopefully will have a selection soon.

Old Business

None

New Business –

Budget Approval: Jason presented a budget for FY 2021-2022 and went through each program individually. We need to work diligently next year to bring our budget to be balanced. Jason would like to get this on our agenda for a future meeting to discuss increased revenue or budget cuts. Fabian motion to approved budget submitted for FY budget 2021-2022. Roger second. Discussion held. All in favor. None opposed. Motion carries.

Good of the Game
