Wyoming Soccer Association Programs

Wyoming Soccer Association will continue to oversee the Wyoming 307 Select Soccer Program, which will culminate with teams who participate in regional Olympic Development Program (ODP) events. Participation in the Wyoming 307 Select Program will serve as an opportunity to continue player development through training and high-level tournament play. Top Wyoming 307 Select players at the 12U-17U ages for both boys and girls will be invited by staff coaches for roster placement for regional ODP events. Wyoming players will be given opportunity to continue long-term player development, raising the level of soccer across the state and increasing our ability to play and compete at the highest available level of US Youth Soccer.

Please NOTE: If selected players decline their invitation to participate in ODP events, and WSA is unable to recruit additional talent from within the program, players from outside the Wyoming 307 Select Program, to include both in-state and out-of-state players (Wyoming players will be given first priority), may be invited for placement on 'ODP Event' rosters.

Progression Matrix for Wyoming Soccer Association Programs: WSA Affiliated Club, Wyoming 307 Select and Wyoming ODP

Wyoming 307 Select Soccer Program is a state development program that aims to bring groups of Wyoming players together from across the state to develop, train and compete in regional and/or national soccer tournaments (events outside of Wyoming). Wyoming 307 Select Soccer provides soccer programming for Wyoming players aged 10U- 19U generally outside of regular club seasons (Fall & Spring). The Wyoming 307 Select Soccer Program holds annual tryouts in the summer to establish pools of players at each age group in both genders. Each Wyoming 307 Select Team will have an assigned Head Coach who holds, at a minimum, a USSF Grassroots coaching license and preferably a USSF D License (head coaches who do not hold a current USSF D License will be required to obtain it within one year of their assignment as head coach), an assistant coach and a team manager. Coaches are responsible for the coaching and event selection, while team managers oversee attendance and overall management of the team with assistance from WSA staff when needed. The Wyoming 307 Select Soccer Program provides a fantastic opportunity to continue to train and compete regularly throughout the whole year outside of club soccer commitments.

About the Wyoming 307 Select Program

The Wyoming Soccer Association (WSA) is proud to provide a comprehensive developmental playing opportunity through our Wyoming 307 Select Program.

Philosophy

The Wyoming 307 Select Soccer Program strongly believes in developing the sport of soccer through a holistic approach that includes the players, coaches, parents, families, and local community. The goal of the program is to create the best possible environment to develop people and Wyoming players and be the leading program for soccer in our state. The program will develop players socially and psychologically, encouraging leadership and positive decision making both on and off the field. Player growth within the Wyoming 307 Select Soccer Program is vital to achieving WSA's short, mid, and long-term goals (please refer to the [WSA Strategic Plan](#)).

Our Vision & Values

The program's vision is to have Wyoming players and teams at every age group representing the state at the highest level of competition. The program aims to retain players throughout their youth soccer careers and to build on the number of players playing soccer in the state of Wyoming.

The Wyoming 307 Select Soccer Program has a strong set of core values that reinforce everything the program stands for and aims to achieve. All coaches and players within the program are instrumental in creating an environment that promotes the program's core values, those being honesty, integrity, loyalty, and hard work. All are paramount to success, both on and off the field. In addition to these values, we expect all coaches and players to show enthusiasm, imagination, and an ability to think outside the box while working as a team for the betterment of all.

Wyoming 307 Select teams are intended to augment the programs offered by Wyoming Soccer Association's (WSA) affiliated clubs and do not compete with its clubs' programs and commitments. WSA affiliated clubs can be assured that Wyoming 307 Select team members are a member of an affiliated club and the club/team is the player's primary responsibility.

Wyoming 307 Select holds tryouts as a preliminary entry point to the program. To be selected for Wyoming 307 Select, a player must tryout annually, as membership is not guaranteed from year to year. Players will be notified upon selection. Each team reserves the right to create a pool of eligible players from which coaches can select tournament rosters.

If an event roster for a specific age group does not have enough player commitment from the initial invite list selected by the head coach, steps to fill the roster shall be taken in this order:

- 1) All current program registrants in the respective age group shall be invited for roster placement.
- 2) If, after completing Step #1, there is still not enough players, players from the immediate age group below may be invited and will be selected based on skill and availability by their head coach, as long as there is no conflict.
- 3) If, after completing Step #2, there is still not enough players, a combined age group team can be formed utilizing players from both the age group below and the age group above, as long as there is no conflict and all head coaches are in agreement.

The teams will represent Wyoming 307 Select at several events (all outside Wyoming) throughout the year which could include friendly events and tournaments. Top players at the 12U-17U age may be invited to a roster for regional ODP events. Participation in these events will be at the discretion of the player/family and will incur added costs.

Identification:

Wyoming 307 Select may identify Wyoming players prior to or following the annual tryouts:

- Wyoming 307 Select coaches may identify potential players in their natural game-playing environment.
- Coaches may extend invitations to Wyoming players to attend a tryout either during the summer or attend a training as their tryout event.

Tryout:

- To be considered for selection into the Wyoming 307 Select Program for the new season, all new and existing Wyoming players must tryout prior to the beginning of the soccer year at tryouts to be held annually between June and August.
- Team Coaches may use their discretion to invite players throughout the season to join the program. Players will still be required, as a prerequisite, to enroll in the tryouts prior to program registration through December 31st each year.
- Wyoming players aged 15U+, who were not registered in the Wyoming 307 Select Program during the previous season, may attend one (1) tournament with a Wyoming 307 Select Team during the season and utilize this opportunity as an “event tryout”. Players must enroll in the “Tryouts” and pay the tryout fee and their designated portion of the team registration fee (if the current season tryout link is open). If, following the tournament, the player is invited by the coach to join the respective Wyoming 307 Select Team, they must accept the invitation within one week of the invite, and may NOT participate with the team further within the season if they choose not to accept the invitation. They will be given this opportunity only one time. In subsequent seasons, the player may not utilize an “event tryout” and must try out for the program during the scheduled tryout weekend(s).
- Upon selection into the Wyoming 307 Select Soccer Program, players must sign and adhere to the Wyoming 307 Select Soccer Program – Player Code of Conduct.
- ODP Team Selection is a separate process to Wyoming 307 Select team selection and participation with Wyoming 307 Select is not a guarantee of selection. Players will be selected by the Head Coach of an age group with support of the WSA Technical Director and/or WSA technical lead staff.

Players:

- All Wyoming players will be registered as a competitive player, and in good standing with a WSA affiliated club and remain in good standing with said club to continue to be eligible for the Wyoming 307 Select team. If a player is dual registered, they must participate predominantly (more than 50%) with a WSA affiliated club team throughout the current season. NO EXCEPTIONS!
