We can't thank Bravo enough for the incredible planning and execution of our college tour to Europe.

Peter Mendel - HC, Curry College

We chose Bravo to help us with our England, Italy, and Germany tours. They do a first class job and we highly recommend anyone looking to tour in Europe to reach out to them.

- Kyle Froberg - HC, Rhode Island College

Thank you so much for our trip to Portugal (and England even though my thank you might be a little late for that). Even so, I had a blast in both tournaments. I can see how much time and effort goes into every little detail and I really appreciate it. In both countries I was able to see much of the cities and explore, as well as playing the beautiful sport. You did a fantastic job with both. Thank you so much for everything and I hope to be traveling with Bravo again in the future.
